“ *We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*

“ *Grampa Norm, as my children affectionately called him, was a big man.*

He had a booming voice, especially on the phone. "Hey! how you doing?"

His rich, full-bodied laughter was always inserted when giving sage advise on lite matters. Then, when more serious issues presented themselves, he gave sound, practical wisdom that drew on his vast personal experiences.

He would grill meat soo-ooo good, it would make you to slap yourself!!

What a man..what a husband..what a dad..what a friend..what a neighbor.

To Sheila, Steve, Amie, all the spouses and grands, my heart morns with you.
