“ *To Judy and family: There is no sorrow that God can not heal. Norris was a beautiful spirited person always happy go lucky. He will be sadly missed not only by immediate family, but extended family members are going to miss him also. Look to the hills which cometh our help and our help cometh from the Lord. And also remember in the word of God is to be absent from the body to be present with the Lord. May God Bless You All during your time of bereavement and we love you.*

“ *To Judy*

I can not say that I know what it feels like to bury a husband but we definitely know what it feels like to bury a father. Since we already buried ours in 1996. I know that the Lord will see you through. Just hold on to God's unchanging hand. The Cummings family definitely has the Gordon family in our prayers
