“ *In sympathy and friendship. At a time like this, there's only so much comfort words can provide...but please know that I share in your loss. No one can begin to know exactly how you feel, except to know that sorrow such as yours is deep and real. But if you need some comfort and some help to see you through, just know how much you're cared for by all those who think of you. Keeping you close in thought. May God be the glory.*
