“ *I'm at work and can't get you off my mind. I went and read some of the mess that was left on here. I'm so sorry for letting people get under my skin. You often told me "Teria you do not need to respond to everything." You was so right. I wish everyday that I could just pick up the phone and talk to you. I guess that is what lead me to this page. I have so many things I want to talk to you about. You and I know what we shared and that is all that really matters. To this very day I still miss you and love you. You will forever be in my heart. I truly believe so many got joy in seeing me hurt for you so bad. We shared such and awesome bond. Love you and miss you my love.*

“ *May you rest in sweet peace. Mr. Pete, that's what our family called him. We were neighbors for about 5 years. And we taught our children to call you "Mr Pete". You were the best neighbor we ever had. You and that big ole dog. Our condolences are with you family the Evans family*

“ *I guess you still have it, it's always laughs when you're around!! I will let you rest with respect and dignity Mr. Terry!! That's what you about respect and honor and I will not disregard any of this to prove that you were a special person in many of our lives.. Monica Clark @ Birchrun Mich;)... There's nothing good or the best having a addy with a 48405 postal code;) Lol.. Please quit while you're ahead.. Lol*

Monica Clark - August 04, 2013 at 12:29 PM

Hoe are you talking to. I'm telling you Monica that was my man. Get in your lane. Who need to stop while they are ahead?

Teria Kelly - August 05, 2013 at 01:46 AM

Not a one of you would pull it if he was live. So no you stop it.

Teria Kelly - August 05, 2013 at 01:48 AM

You are a class act! He will actually be embarrassed by your behavior! If he was your man you wouldn't be going through all of these dramatics to prove it! I'm not proclaiming any position in Pete's life, I have a new life and have moved on, but you surely couldn't erase the 3 years we were together and his and my feelings towards one another... Now please keep it classy Pete deserves that, and if you have any further gripes feel free to contact me personally @ monielove323@live.com. You have defamed him enough with all of the drama and tantrums!! I can easily post pics and call out the things he has done for me, but I'll rather speak of the character that is now no longer amongst us, give your man that much respect...

Monica Clark - August 05, 2013 at 03:28 AM

Put up your pic please so I can see them. Do that for me ok. You started this mess with what you put on facebook .. I tried to be the bigger person. You was not with hin for years "

Teria Kelly - August 05, 2013 at 06:39 AM

You was not with him for 3 years. You know what it was. Check with Gus and the rest and find out how he felt about you or any onelse. I can put up how many times I want. If you have moved on who is he because you can't get my man off your mind so really move on. Thank you

Teria Kelly - August 05, 2013 at 06:44 AM

Teria I have nothing to prove to you and I surely don't think this is the time to go back and forth. I have done nothing but respected Pete and I will continue to respect him. There's no need to asked anyone how he felt about me when he told me himself and showed me. When I speak of him I speak of the great person he was, I don't feel I needed to run it across you 1st. This is totally amazing to me due to the fact I thought you carried more class than what you're displaying. I feel sorry for you more so than anything.. Getting put out of his viewing should have showed you that something isn't right. Maybe your words directed towards me, are much more needed for yourself! Have a bless day, I will;)

Romas 12:9: Let love be without deceit. Be haters of what is evil; keep your minds fixed on what is good.

Monica Clark - August 05, 2013 at 08:36 AM

I truly apologize for my display in this mess! Terry family I will admit my part, I should have allowed this to pass by me. I'm embarrassed by my actions by even getting involved with this display of foolishness and especially through your time of bereavement. I will no longer respond. I hope you all can find it your heart for forgiveness! May God bless you all.

“Pete baby I miss you so much already. We walked this journey hand and hand together. I never thought Thursday July 25 me, you, your son, and my daughter that that would be the last night we spend together. That Friday morning I kissed you before you went into surgery and that Friday when they said you were gone I kissed you goodbye. It may have not been on paper but you were my husband and I was your wife and you will forever be sketched in my heart. Rest peacefully in heaven my love until we meet again.

“Dear Terry Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress. (Psalms 83:18, Psalms 65:2) Please be assured, death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again. (Isaiah 25:8) My family and I wish you and yours peace. (Phillipians 4:7)
