“ I am so glad I got the chance to meet you but it is so hard knowing that once I got to know you that our relationship would be cut so short.

“ To My Dear Cousin Odell, As a child growing up I always remember you coming by to visit no matter where we moved you always would find us. As I grew up you always was in my life you are what family is suppose to be like. You always respected me as I did you and looked out for Mom, Eric, Vicki, and myself as we looked out for you just say we had each others back. The last time we spoke was 2 weeks ago and you sounded good and you told me you felt good that day but you also said you were tired. you were always the comeback kid when dealing with illness but not this time. I will always love and remember you and thanks for all Church's chicken that you would surprise us with but we would thank you by giving you a plate I didn't get to send you the package you wanted but you have it all now. I'm happy that you got to meet your niece and her family I know that meant a lot to you and her. We Love You Bud!

“ Cousin Odell, you were always like a big brother for my sister and I. Always protective and loving. The consummate bachelor (smile). I remember you always being well dressed and dapper. We always loved spending time with Aunt Hattie and you. It has been such a long time since I have seen you but I miss you just the same. I called my sister a couple of weeks ago and asked her if she knew what part of Michigan you resided in. I tried to find you on the internet but there were quite a few. Needless to say you will greatly be missed. We Love You Dear Brother.

“ My dear Uncle Odell you will truly be missed. About 2 weeks ago when we talked i didnt have a clue that would be the last time we would ever speak again. Through the years i had searched for you and one great day 3 years ago i found you and i was so happy, last year we finally met and we talked on several occasions and God answers my prayers and led you to Memphis to be with me and my family. I would not trade that time for nothing in the world you made me (tears) feel like the best niece in the world. If i never get a picture of my dad it wont matter because you gave me memories to cherish for a lifetime. The last words we spoke to each other were I LOVE YOU and i truly do. No more sickness for you Uncle Odell and know that you will always be in my heart. I still can hear that unique laugh. Rest in Peace.
