“ *Hello*

I would like to extend my condolences to the family of Odessa Langston.

I never met Mrs Langston, but from what others have written, she must have been a fine lady.

I am a Minister and would just like to share a scripture that gave me comfort when I lost a love one. It is taken from Jesus words at John 5:28-Pleas read.

Jesus gives us a hope for our Dead love ones.

Again, I wish humbly extend my condolences to Mrs. Langston's family.
