“ Dear fans and family of Aunt Ophia,

You did not come around Ophia McClure and not learn something. She taught me how to cook some shonuff soul food, how to clean a house and watch your tone when your speaking to grown folks. She was an incredible woman of many talents and impacted the lives of many people. We had many long talks, late night chats and heart to hearts over the years. She will certainly never be forgotten. Her legacy lives on.

“ Dear McClure Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress. (Psalms83:18, Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again. (Isaiah 25:8) My family and I wish you and yours peace. (Phillipians4:7)
