“ To the Shackelford Family, remember at times like these, it is only God
Who can speak the words that can calm the sea, still the wind, and ease the pain,
So lean on Him, and you will never walk alone. Shack is safe in Gods arms.

To the Shackelford Family.

Words of solace bears no fruit during this poignant time in your life. Hopefully, through God's amazing grace and his unconditional love will help the family embellish the legacy of love that he leaves to flourish among family and friends.

Love was an innate component of Mr. Shackelford's existence and that cannot be denied, because " Love is God.. God has beckoned a tenor voice to join his inspirational choir.

A tenor that will be missed, but not forgotten.

His renditions of solos were inspired by God and often created teary and profound results.

The time shared with Mr. Shackelford via choir rehearsals and conversations after church services will serve as stoic memory block in my life.

I will truly miss our fisherman's woes.

God please provide your strength and tender mercies to the Shackelford family during this poignant time in their life.

May the peace of God prevail for the Shackelford Family.
