“ There are two memories that I have of my frist-cousin (Lan) as we called him one was him singing the song "Summer Time and The Living is Easy" to me everyday once when he came to our house for two weeks in Tiptonville, Tennessee. The other was a picture he gave my mom of him in his military uniform I would look at it for hours, I thought my cousin was the best looking man in any uniform living or dead. I never got a chance to see Lan again and that is my lost, but i love him just as much today as I did way back when we all spent summers together with our moms, we were more like sisters and brothers than cousins and that, is the love we come from!!!!!!

*To my little cousins,his children
i only hope to yet meet you!!!!*

*To my big cousins, his sisters and brothers
i wish I could be there with you in person, but believe
that I am there in my heart and soul
I can't wait to see you again!!!!!!!!!!!!
I love you with all My Heart!!!!!!!!!!!!!!!!!!!!*
