I remember, he was one of the first people I saw when we came back to the office after COVID, and his smile almost brought me to tears. (I know that I took him by surprise when I gave him a big hug! Hahaha!) His positive attitude was infectious, and it will truly be missed here at work. My heart and prayers go out to all of his family and friends.*

“ My deepest condolence to his wife and family. I pray for comfort and strength. It so hard to believe he's no longer here. I am a classmate and just enjoyed seeing him and his wife at our class bowling event. Pops was one of the sweetest, kindest person you could meet. He will be greatly missed.
