“ I, sgt jonathan mayes served with oscar in vietnan in 1968/ 69. Sometimes at night We listened to some of the great r&b tunes of the era . I recall he really dug the dells " always together" as he sang along with them. We also ended up being stationed together at fort bliss texas. He later went to germany and i got out of the army. We stayed in touch for a while but then lost touch. He was an officer and a gentleman.
