“ *To the family of Oscar, you have my deepest condolence and I pray that God continues to comfort, strengthen and give you peace during your bereavement and the days ahead without your father. He was a kind, genuine quiet gentleman of few words but when he spoke you knew he meant business especially when it was time to leave the church or you were supposed to be let in at a specific time and you weren't on time. I will miss seeing him around the church but glad to have known him. His legacy will continue to live on in his "mini memes", such a dedicated man to both his family and church family. God's continual blessings and a beautiful homegoing celebration.*

To the family of Oscar, I want to give my condolences and prayers to you during this difficult time that God will comfort you and give you his peace. I was blessed to have Oscar as a friend and coworker as a trustee at NJFGBC from 1973-1998 also on the Ushers Board. I know he will be missed and you may have some good day and not so good days, just treasure your memories whenever you feeling sad and celebrate his life because you know where he is and we'll see him again at the great reunion and that will be a great awesome and amazing time when we all get together again. Be grateful for him, rejoice that he made it over. My prayers will continue be with you.

Oscar was a quite Man who went about his daily business in a Godly manner. I cannot remember seeing him without a smile on his face. Knowing him for over 60 years, I can say I never saw him angry or heard him say a cross word to his fellow man. Oscar, rest and accept God's reward with that smile.
