“ *Mr. Otis Gene Spann was a blessing to the entire Pierson School Community and the City of Flint. He was our "Moses" he provided a after School safe haven for the students in the Pierson School Community. He was a Father too so many who didn't have Father's, he was A LEADER that taught us how to love ourselves and to love one another. He gave us motivational talks during lunch time that I will cherish forever. He was our PROTECTOR. I thank God for your life and your legacy. My thoughts and prayers are with Mrs. Judy, Pamela, Paul and Darrell. I love you all so much. Thank y'all for sharing Mr. Spann with the entire Pierson School Community... We will cherish his love and his words of wisdom. A couple of years ago we honored him at the Pierson School reunion, that day was INCREDIBLE. He was and will always be our Legend and Mentor. “ You are engraved legacies to come in countless lives of those around the world. Under your educational as well as personal rearing many of those lives have grown into successful adults finishing college, starting businesses or having successful careers, staying out of prison, successful marriages, caring beings of their community, firm parents & grandparents, and so much more all because you cared to teach us what our roles would be in life. Speaking for myself even as a girl... THE LOVE TAP! A wooden rectangular object with various writings of names and symbols that when administered left a sting that sometimes had me not able to sit afterwards. That when I think of I still cringe..LOLOLO! Let me give you some LOVE! OH! Getting on the wall was another form of intermittent timeouts in that era. It kept me and my eight sibling in line even though every experience was not good it was a part of growing up. Can any GOOD come out of PIERSON HOOD!? YES, "I DID!" under the hand of a man name Mr. Otis G. Spann

“ *Sending prayers to the family of Mr. Spann. Met him back in the day at the original Doyle School. He came in as one of the coolest. I haven't seen him in years but I am sure he left here the same. May God bless and keep you all close in his love. Oh so many young people as well as old looked up to you, respected you, and loved you. You will be missed.*

*To the family and friends of Otis Spann.
I realize words of solace does not abate the pain during this poignant
time in your lives.*

*As the family and friends gather to bid farewell, God will embrace and
solidify our love as a symbol to Otis for his spiritual and social
achievements instilled in the minds of many young adults
that were under his educational tutelage. He was genuine and
dedicated in his efforts to make Flint a better place for Flint's children.
I hope he knew that those he taught, are closer than they have ever
been because God has made them eternal friends.*

*Otis after all is said and done you were the chosen one to share your
promises and knowledge from above to help educate Flint's students
with instructions and love.*

*Otis God has called you to rest, because you have given Flint your
Godly best.*

*Rest In Peace my Friend, and may the peace of God be with family
and friends.*
