“ My brother from another mother 😞 although death is a part of life and evening knowing that the day we are born is the beginning of a journey too death. And unless we are born again death is final. The year 2020 has really been heart felt broken I'm lost for words at this moment. I was just with him we talked for about two hours we laughed and shared our up bringings. Wow. today I ask God my father in heaven what is it you want me to understand from this ? He answered, theres only a little time left you MUST Witness about the goodness of JESUS and save souls. I going too miss you much rest with Stan until we reunite again 😞
