“ My grand father was and still is many things to me. He is not only a gentlemen he was a gentle man! Infectious personality, awaed winning smile a man of character! I never recall grand dad to raise hia voice he simply said what he meant and kept it moving. Never judgemental nor cynical. I remeber the birth kf my daughter 15 years ago...when i woke up my grand daddy was right there all smies to tell me he was proud of me and had my frosted flakes waiting cause thats what i craved lol. If i had to describe our relationship in two words...UNCONDITIONAL LOVE...Just as my mother his oldest child that precedes him. Yeah my grand dad did ma y great thinga in life...your pgyical will be missed however your legacy lives on in your kids, grand kids ...shoot your great grand..grand dad do one thing for me give my momma a hug and kiss for me something zi can't do.
