“ *Mrs. K. Thompson*
I was blessed to have worked with Mr. Duncan since 1995. He would always call me South Bend since that is where I am from. A few years ago, I moved a few houses down from Mr. Duncan. Mr. Duncan would greet my children and I as "neighbor" during the school-day at Dailey school. My children and I looked forward to our greeting every school morning. (Monday, April 2) On our way to school we always say a prayer in the car. Before our prayer ended my daughter said, " God, tell my neighbor Good Morning since he is at home with you now." Then she said "Mommy don't be sad when we pass Mr. Duncan's house. We can still greet him by waving. We just need to wave to the sky because he has a new address in Heaven. We miss you and love you, Neighbor.
