“ *To the Hart Family. My heart was saddened at the death of Pastor Hart. However, I do get comfort knowing that his job had been completed here on earth, as he was an anointed teacher and preacher who, through his ministry, reached both young and old. My prayer for the family is that you will be comforted, as well, knowing that Pastor Hart was loved and respected by many. I will always remember one of his sayings: "Go in peace" and "not in pieces." God bless you, you raised a wonderful, blessed man of God.*

“ *I feel privileged to have been able to count Herbert Hart as a friend in my life. I knew him to be a fun, caring, gentle man with great wisdom and insight. From what I have read of his actions since high school, he continued on that path and made a real difference in the world. Surely, the world is a better place for having had him in it and is a poorer place for his needless loss. I can only offer my condolences to his family.*

“ To the family, I am a friend/co-worker of Kathy's. She always spoke of her brother around the job. Words can never express my true feelings for the sorrow that you are going thru right now. My heart is with you and will keep all in my prayers. Kathy, hold your head up, because you sure held your brother up, and always spoke such nice things about your family. I pray that God in time will help comfort you in knowing that your brother has just moved up to a HIGHER GROUND to do God's work with him. He was doing so well here, that God said son, come on up and work close with me. Know that I am thinking about you Kathy at this time, so so sad to have heard what happened. Be blessed and know that God loves us all.

“ My heart was saddened when I heard the news. It is a blessing to have known Herbert, and a pleasure to have worked with him during the back-to-school rally at Vernon Chapel AME Church. It was also an honor to have helped out with the selling of the cd that he produced Mela "Jockin 4 Position". He was a dear friend always asking about my son raising him as a single parent. He was an awesome speaker that touched so many people. My prayers go out to his family. God Bless.

“ Rev. Hart loved the Lord and he showed it in more ways than one. That is why I know he is in the right place. It was too early for him to go but the Lord never makes no mistakes. When I saw the tape of him breaking down at the city council meeting, I broke down also. Every time he saw my husband he always asked about me and how I was doing. He was definitely a dynamic speaker. That is why I know that him and my Pastor (Dr. Major A. Stewart) would have been like a 1-2 punch. With their preaching and teaching of God's word. To his family, we pray that you hold on to God's unchanging hand and that you know that only the Lord can help you through this sad time. But hold your head up because that is what Rev. Hart would want us all to do.
God Bless you all and we are praying for you.

“ To the family of Pastor Herbert Hart,
My prayers are with you and the family at this time. I was stunned when I heard of his passing and even more shocked when I read of the tragedy. Herbert and I go back to the days at Emerson/Whittier. I must say he was always such a gentleman. I continued at Flint Academy and would often ask Sheila about her brother. Sheila, you hang in there and know that God has and will continue to look after your brother. Take Care

“ Pastor Hart was a dynamic teacher for the past several years in our Night Sunday School at Macedonia Baptist Church. His presence will be missed, but we are so thankful for having had the privilege of being a part of his anointed teaching ministry. Our prayers are with his family and church as you go through this sorrowful time.
