“ *To the family, I'm lost for words to hear of Patricia's passing. I remember seeing her at the vending machine as I left the 9th floor after visiting my mom. I told her I would be back to visit and we could exchange phone numbers in case she needed me to bring her something, the next day I peeped in & she was gone, I thought to myself she must be doing better, I was glad she had been released. May God comfort your hearts during your hour of sadness such a lovely person.*

“ I met Pat & Lois when my cousin Brenda lived next door on Osceola St., but really got to know and become friends with them when Jackie moved into the house next door. Pat and I shared alot of talks and laughs over the years. She was a beautiful person and will truly be missed. But, I know that she is in a much better place. Because I know that she loved The Lord! ..I send my condolences to the entire Amerson family on behalf of the entire Kemp family.
