“ *I had the pleasure of meeting Pat in September. She was a pleasant person to know and always had a smile. I was her Income Tax Instructor. Although we never had the opportunity to meet outside of class, she appeared to be warm and friendly. Always remember God does everything for the best and he only wants the best.*

“ *I had the joy of knowing pat in my tax course. She was a very kind lady. She would always say hi and she was always there to help. She was not a shy person, if we were unsure of something she would ask for the ones who didn't want to. I will greatly miss Pat. She made my tax course a blast. She will be greatly missed.*
