“ *To the Collins Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life.

However, have you ever asked: Is death the end of it all? Or is there something else after death. The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ *We were saddened to hear of the passing of Sis. Pat. She was a jewel to know as we had to opportunity to serve with her on the Culinary Ministry. We know Earth has no sorrow that Heaven cannot not heal.*

“ *From the first time I met Mrs. Pat, she was such an inspiration to me. Even when she was going through her trials and tribulations, she managed to smile and tell me that she loved me. I will always remember her, to God be the Glory for allowing our paths to come together.*
