“ Ms. C was a receptionist at my doctors office and she was very nice and whenever I came in she would address me with a smile and by my name all the time. While I was waiting for them to call me back, if she had time, we would talk about so much stuff ( We found out that our familys are related) . That's why I'm so SHOCKED and SURPRISED of her passing, It seems like I just seen her at the office not too long ago, I'm TRULY going to miss Ms. C. God Bless. My prayers are with you.

“ I have known Mrs. Patricia since I was a little girl (over 20 years ). She watched me grow up and watch children as they have grown over the years. She worked at my doctor's office and we got to know each other on a personal level. We talked about her family, especially Terry and her grandkids often. She knows my whole family. I am heartbroken to hear this news. It has been a pleasure and blessing knowing her over the years. I will truly miss her smile, laugh, and our talks. May God grant peace, comfort, strength, and understanding to the family at this most difficult time. RIP Mrs. Patricia.
