“ Pat was my hair client for many years. We shared some wonderful conversations and memories. After I moved to Southfield 6 years ago, we remained in constant contact with each other. I loved her for that. No matter what obstacles life dealt her, she always made time to check on others. I will truly miss our friendship and great conversations. Condolences to her entire family. Especially Anthony and Percy.

“ RIH to my best friend Pat, Heaven has gained another Angel. I'm going to miss you but I know the Lord knew best no more pain Sis. I never knew that our last conversation was the last time I would hear your voice. You stated I just want you and Tori to know I love you, I didn't know it was good bye but some how I know you did. We never ended a phone call without saying I love you sis. I just want you to know one day we will rejoice in Heaven together, until that day just know I love you with all my heart rest up sis.

“ God has shocked me again..... remembering a beautiful smile, always a kind and funny greeting, laughing at my corniness and I knew it was corny, an encouraging word, and always found out we knew some of the same folk...

Another flower plucked from among us.
