Mrs. Patricia (Tricia) Rodgers was born April 5, 1949 in Carson Lake, Arkansas, the daughter of Goldie and Atena Dennis. Tuesday, April 15, 1949 was such a glorious day! On this day Atena and Goldie Dennis were blessed with a precious gift from God. This gift was Patricia (Tricia) Dennis. Tricia grew up in Blytheville, Arkansas, where she attended Harrison High School. As a young lady she moved to St. Louis, Missouri. In St. Louis she started a family and worked various jobs including the United States Government. It was 1969 when Tricia moved to Flint, Michigan where she met and married Robert Rodgers. Patricia Rodgers worked for General Motors Corporation, Meijer and InAlfa Systems. She received her Associate Degree from Mott Community College. During her lifetime she mastered the sport of survival, jumping over all hurdles, knocking down any obstacles and finished this life with skill and precision. Her favorite activities were traveling and spending time with all her family. A good life is what she lived with her spouse and children. Blessed to

enjoy many things in life, Tricia enjoyed life to the fullest. Seventy-one years later on Saturday, July 25th, 2020, Tricia was allowed to retire from this life. “ I will always remember my Aunt as the most beautiful person in the world with so much wisdom... The summer trips to her house allowed me to experience a happy child hood that I still reflect on to this day. She always made sure that I was comfortable and she did not raise her voice to me although I was a mischievous kid and I deserve it. I learned from her to expect the best from myself and others in life. She was my Aunt, role model and I will miss her. Love Always Lindell Pittman

“ My Aunt Patricia was outgoing with tough external that captured your imagination, laughter and departure for misbehavior. I can recall as I look forward to my first kiss with a boy name David in Flint, MI. The moment was filled with anticipation and excitement. Yet, Lindell managed to spill Kool-Aide on Patricia's kitchen floor. Well, Lindell, Diane and the rest had to exit quickly to avoid a swift spanking to rear end. So, I never managed to receive the first kiss from David. While visiting St. Louis, Patricia was upset because the siblings left their children with grandmother Atlena Dennis. Well, Patricia decided to make everyone leave so her mother could have peace in her apartment. In the later years, Pat was calmer, peaceful and she enjoyed traveling. We shared our most precious memories with her as children. She shaped our past with an impact on our future through her taste, style and example. We loved her and Patricia will be missed until we meet again. Love Always Diane Pittman
