“ Ms Pat, you have been a member of our Clements, Durrett, and Porter family group since I was a little girl. I don't remember an event that you missed. Although there is no way we can feel the family's pain, we do feel their loss as we have known Ms Pat for so many years. I can't imagine how it's will be at the next gathering and she not being there. Peace and love to you and your family during this sorrowful time.
