“ *I am at a loss to find out that my life long standing friend has gone. I am sorrowful that I wasn't able to be with the family during this emotional time. I didn't know until today, it was a shock to find out the way I did. My heart is broken and I wish a thousand times over that I could have been there. Pat was a true friend to me and I learned a lot from her. Her favorite thing to say "You ain't God". I admired her so much, she was always there for me in my many marriages and divorces, house fire etc She helped me with my kids and I remember one time the Lord told me that I should learn from her because she wasn't always going to around. She was strong in her faith and I will always remember that most of all.*
