“ Truly lost for words.im still in denial and disbelief. Condolences to Brittany,and the Stanley,extended family and friends family.I was able to share 50plus beautiful years with Trish(Patricia),and I'll remember her forever,because she was more like a big sister to me versus a friend,and we are forever grateful to have had the chance to experience life together with her.She will be truly,truly missed.She is now amongst the angels and our Heavenly father for eternity,for she was an angel to us(my family) here on earth.
