“ *We all loved her very much, at the church. No matter how bad she felt she always had a smile on her face, and come and give you a hug. HOP will not be the same with out her, we are all in bereavement, we will keep you all in prayers, as you all keep us in prayers.
God Bless You.*

“ *It is so hard to believe that Patsy is gone. Just a little over a week ago I talked to her. I will miss the conversations that she and I had been having lately. She was a very kind and loving person who cared a great deal about others. She will be missed. My sympathy to her family as they have lost a dear family member.*

“ *Mrs. Cole was a beautiful person inside and out. She will be greatly missed. She never had a mean bone in her body. I will miss seeing her face at church. Every time I see her at church she always have a smile on her face. To the family hold your head up high because that's what she would of wanted. She's in a better place with the lord. I will keep you all in my prayers.*

“ *To Patsy's family and friends:
May the Lord bless and keep you. We are saddened to know that Patsy is no longer with us in the physical. But she had a light that will shine beyond the physical. Patsy was a dear sister who served with us at Mt. Carmel Baptist Church on the Usher Board. We remember her smile, her faithfulness and she was a fun-loving person to be around. Any phone call from Patsy was a joy because we loved to talk with her. We loved Patsy and will miss her friendship.*
