She was the fifth daughter out of the union of the late Mildred and Alfred Scott. Patsy completed her formal education in Little Rock where she graduated from Horace Mann High School. Patsy moved to Flint, Michigan in 1957, where she attended Baker Junior College. She was introduced to her husband Henry Limbrick by her brother Henry. Patsy and Henry married on August 15, 1959. Out of this union, three daughters were born. Patsy was very active in her daughter's school lives, where she could often be found volunteering to help. Eventually, her volunteer work turned into her occupation. Patsy retired from the Flint Board of Education as a home school counselor on January 22, 1999. Patsy accepted Christ as her personal Savior. She truly loved the Lord and was ever faithful to serve him and would witness about him to anyone she could. Patsy has been and active member of Mt. Patsy was loved by everyone she met, and she had a special place in her heart for children, most of all, her six grandchildren. She chose to be called "Mama Dear" by her grandchildren in memory of her own mother, but she was known by many other names, including "Miss Love", "Mama Moosa" and "Aunt Pat". She will be missed by all. Mrs. Patsy R. Limbrick leaves to cherish her memory: beloved husband of 47 years, Henry Lee Limbrick; 3 daughters, Cheryl Limbrick of Flint, S. “ *To the Family...*

Though sympathy is a small consolation, even when it springs from the hearts of those who share your sorrow, I want you to know how much Patsy's loss is felt by everyone who had the pleasure of knowing her, and I have enjoyed very much my many years of friendship with her. My thoughts and prayers are with you.

“ Patsy always left her mark on the hearts and in the lives of all those that came in contact with her. She was always the most thoughtful person in helping others through many trials and tribulations. I've seen her turn tears into laughter of children, parents, co-workers, and community members. She was always offering words of encouragement for children and adults. She eagerly gave spiritually, personally, and materially to the people she encountered. Her family was her pride and joy. She truly represented love and kindness.
I extend the deepest regret and condolences to you and family.

“ To Marnise and family,

I never had the pleasure of meeting your Mother but I know she was a wonderful person, as you are the "seed of her seed". Her ways are ways of pleasantness, and all her paths are peace. May God continue his blessings upon you and your family during this time of loss and sadness. All is well with her soul.

God loves you and so do I,

*The Bible says when sorrow comes
It will endure the night.
But joy shall come when dawn breaks through
And fills your day with light.
Keep your thoughts on Jesus' love
And how He hurts with you.
He'll shelter you while in this storm
Until your sun breaks through.

“ *"Aunt Pat" was truly an angel on earth. When I think of the saying "It takes a village to raise a child", your wife and mother was an important part of village in the lives of so many including me.*

I have so many great memories of the love your mom shared with so many over the years. When you speak of someone that lived a Christ Centered life, "Aunt Pat" exemplified just that.

Please find comfort in the beautiful life your mother lived and the way she touched so many...

“ *You are all in our prayers we will miss mamma dear's cooking, her
smile and her ability to love children the way that she has. Mama
Limbrick will be missed. She use to call the children by saying "ring"
so I guess on Feb. 5th when the Lord said "RING" she went running
to meet her Master. May God comfort you all! Love you!!*

“ Dear Byron and Marnise,

Our thoughts and prayers are with you and your family during this time of silent mourning and home going celebration. As you both know, the loss of the physical can not compare to the victory of the spirit: even still, the departure of a loved one is especially bitter sweet. Be comforted in the permanence of the spirit and knowing that where you are; she is ? laughing, whispering, and guiding you forward in every day life.

We are there with you in spirit and pray that you and yours are comforted by the many blessed years of wonderful memories that you share; that these memories will continue to live for many, many generations and serve as life lessons for all.

Best wishes,

“ To The Limbrick Family,

I had the opportunity to work closely with Patsy on the registration committee for VCW. I was just a thrill to see how organized she was with preparing the registration setup she had her home. During that time, she shared some personal insights of wisdom that has stayed with me down thru the years and the advice she gave has truly blessed me in many ways.

Patsy truly loved God, and her family; especially her daughters who she talked constantly about.

Oh, the VCW conferences was an awesome experience to see her in action when someone would approach the registration table. The first word that came out her mouth was "Honey did you register." and that kind approach evoked smiles on the faces of the many that were attending.

May God Bless you and Your Family during her celebration resting in the arms of Jesus.

difficult for me to except you are no longer physically here, but you
will always be with me in Spirit. As I sit here thinking of you as I do
every day the Lord sends I think of all of the wonderful, unselfish,

you. As Mother's Day approaches, you are on my mind more now
than ever, because I truly am reminded of how much God blessed
me with the best Mother in the world!!!*
