“ I like to say to the Clark family you have my sympathy and my respect.

Ms. Pattie Clark she was a very nice woman and I have a whole lot of respect for her.

She will be greatly missed, I really enjoy seeing her when I came to Flint Michigan.

She always made me feel welcome in her home she made me feel like I was one of the family.

Ms. Pattie Clark I knew her all the way back when I was 14 years old and even then

she was a very strong and determine woman and she is one that can most definitely

take care of herself. Yes I am, one that I will most definitely miss her laughter and her smile.

Coming to Flint Michigan will not be the same again, and I like to say again to the

Clark family, I am truly sorry for your lost. I know these are hard times right now

but remember one thing you are not alone. And you are in my prayers.

Yours truly Bit.

“ Our condolences go out to you and your family. We are truly sorry to hear of your loss. Often during these difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.
