Paul accepted Christ at an early age. After retiring in Atlanta, Georgia, Paul returned home to his loving family in Flint to live in 2008. “ am sitting here with a heart sooo heavy that I just can't bare! Words can not explain the hurt that I am feeling right now... I've lost my uncle who was my father, my best friend, and so dear to me and whom I Love sooo very much!! No one could ever take the place of my Uncle Paul. "I LOVE YOU SO MUCH UNCLE PAUL" and I can't believe you are gone from me.. I hold on to the memories of us, you coming home from work and me as a little girl listening for that door to close and those keys and that happy tone in your voice "Where's my baby girl" during that time I would run from around the corner of the house, and run right into your open arms every evening. I knew everyday and everynight you were coming home to greet me and Aunt Barb with all of your love! With many many memories of precious times spent with you all those times my little face glowed with joy of being with you and aunt barb. I'm hurting and trying to hide the pain, but I am failing...I Love you so much uncle Paul and I will always love you and miss you. I will always carry with me those precious and happy memories that we shared together and I THANK GOD for placing you in my life, if but only for a moment...Lord please take care of my uncle/father for me. Give him a GREAT BIG HUG for me...REST IN HEAVEN TILL WE MEET AGAIN...YOUR BABY GIRL "Queisha"

“ Dear Jones Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.

“ *Uncle Paul, my heart is heavy, my children don't know what to do with themselves since you left us. Tramir and I sat on the bed and talked about our time living together with you when we moved to Atlanta in 2009. We hold those memories very dear to our hearts now. We're sorry to see you go, as there will be no one to make us laugh now the way that you did, filling us with so much joy. We will always love you and we'll see you again when Jesus returns.*

“ *To the Jones and Love Family
For every life has a purpose to fill, a purpose which us humans can seldom infer. But he was a gift from heaven, whose purpose was to make this world understand what love, friendship, goodness, and humbleness was all about. Goodness belongs to heaven, and we know he is watching you from there, bestowing his beautiful smile upon you. May his soul be at rest in Jesus arms.*
