“ *If tears could build a stairway
and thoughts a memory lane
We'd walk right up to heaven
and bring you home again
No Farewell words were spoken
No time to say good-bye
You were gone before we knew it
And only God knows why.*

*Our heart's still active in sadness
And secret tears still flow
What it meant to lose you
No one can ever know.
But now we know you want us
To mourn for you no more
To remember all the happy times
Life still has much in store.*

*Since you'll never be forgotten
we pledge to you today
A hallowed place within our heart
Is where you'll always stay...*
