I do not know where to begin my heart is so heavy right now. Paula was an awesome sister. Growing up Paula made sure she took time out to spend with me, Helen, and Karen. She made sure we had fun and you can trust she made us laugh. As we grew, I moved from Flint to Atlanta and we lost contact. When I tell my stories about my childhood you can best believe Paula was in my stories. You will truly be missed but I will NEVER forget you. Love you sister!
