“ To my extended family, my sister Media Johnson and husband Ivan; I want send my sincere condolences to you and the entire Johnson family. Know that it is the will of God and not our own that we must all go to our eternal home with the Lord and there is where we will have true peace and happiness with him. I pray that God will help you through your grief during this difficult time and remember to call on him when you need a shoulder to cry on through the lonely times for he is the only one with the answer to our questions. With sincere sympathy, my prayers are with you and I am here when you need me.

Love Always,

“ It is a sad occasion when we lose our love ones. May you get comfort in knowing that one day you can see your love one again in the resurrection that is in the Bible at John5:28,29. I hope you put your trust in Jehovah and know that he cares for you at this time. Trust in him to help ease your pain at this time. It has been years since we have seen each other but I still love my family. My prayers are with you at this time of your grief. Sincerely, Edna (Calloway) Thorpe

“ I want to express my sorrow over the loss of your loved one. Losing a loved one is something we all wish we never had to go through. Thankfully, within his word the Bible, God promises us that soon "death will be no more". He also gives us the hope of seeing our loved ones who have already fallen asleep in death (Revelation 21:3,4 John 5:28,29). Again my sincere condolences to the family.
