“ Where do I began? My heart is broken 💔. I have sooo many fond memories of Pauline. We go so far back. I will miss her so much and she was always my Sister-in-law and she knew that. To James, her husband, to Anthony and Wanda, my nephew and niece, and to all of her family and friends, our condolences and prayers are with you during this great loss. It's a journey that we all will have to take...for her number was called before ours. We will always love her and hold her close to our hearts. May God comfort all of us as only He can do. I am confident that because she is now absent from us in her body, she is ever present with our Lord. Rest in peace my Sister-in-law and we will meet you again one day.
