“ *Sadaria, Robert and Diablo, We go back to as early as King Elementary School. I lost my father June 1999. I do understand what you all are going through. Just remember that God will not give you more than you can bear, and that this too shall pass. You all have to be strong for each other and remember that your mother is looking down on you smiling and she knows that she will see you all again some day real soon. Take Care and God Bless You All.*

“ Robert, Diablo, Sadaria, Twyla I am really saddened by the lost of your mother. When I read it on the internet my heart felt pain. Your mother never met a stranger and she loved to talk. Sadaria, her and I would talk a lot when I would leave the school from teaching and they would be picking up the kids. I know what it feels like to loose a father but can't imagine loosing my mother. When it hurts, rest in the arms of God and he will give you strength. Be assured the bible says "To be absent from the body is to be present with the Lord". Her work here was done, not meeting a stranger, making people laugh and her kindness. Rob we talked and our generation loved your mother because she was one of us. You guys will see her again.

“ I AM NOT THERE

Do not stand by my grave and weep

For I am not there.

I do not sleep.

I am a thousand winds that blow.

I am diamonds that glint on snow.

I am the sunlight on ripened grain.

I am the gentle autumn rain.

When you awaken in the morning hush

I am the swift uplifting rush of butterflies in joyous flight.

I am the soft stars that shine at night.

Do not stand at my grave and cry.

I am not there.

I did not die.

Your Family has my deepest sympathy. I lost my dad two years ago right before I moved and so I know how difficult it is to loose a parent, but the great thing is it does get easier, just remember all of the laughter.

Luv u all....Mel
