“ Uncle DoDandy - I know that you have been Promoted...Graduated and I am supposed to be happy, yet I am so sad in knowing that you are gone, I can't just call or stop by to talk to you. I know that you are in a better place, I'm just selfish like that sometimes, I'm working on it, you and I talked about that! You taught me everything that I know about repairing cars and alot about painting cars, I appreciate that and your "MacGyver" techniques have saved me a lot. You are so very much missed!

Aunt Minnie, Lisha "Bear" and Jay "Peanut" - Im praying for you deeply and it's going to get better, He is your Guardian Angel now. Jay has something that no one can take from him, a very special relationship with his Granddad. I promise, it's like watching Granddaddy and Willie (Mr. Willie) all over again, when you seen one you seen the other, Jay is Uncle Do's BFF.

Aunt Minnie, Lisha "Bear" you will be given the strength to go on and watch Peanut flourish with Uncle DoDandy watching over you as well as God.

Big Jimmy I enjoyed our talk over at the house. I know that you had a close relationship with him as well. I know you're trying to be strong for your family and you're doing good and what you have done to help and prepare Aunt Minnie, Lisha and Jay is very much appreciated. On behalf of me and Brit'Tany ...Thank you!

Myron, Donny and your Families, I am so sorry for your loss. It's been awhile since I've seen either of you. God Bless you and your families at this time! We are all one family and your Dad is at Peace now.

To My Fam, The Gills (Grandma, My Aunts Bernice, Patricia, Shirley, Uncle Joe Joe, Momma and the rest of us)- The Chapple and Myles Familes are prayful for us. Both families send their condolences and if there is something that is needed they are only a call away.

Love all of you & May God bless us all - DaNielle and Brit'Tany
