“ *I met Abron in Germany, he was a loyal friend to my Mother and Father (Renee and Ronnie Caver) and he also became a loyal friend to me. Abron had alot of respect, love, and care for everyone he knew. I am thankful to have the honor of saying that I knew Abron and that he was a friend. When God created Abron he changed the lives of many, he let all his loved one know that he cared. So Abron Thank you for being you. Thank you for the support that you gave to each and everyone of us. I will always hold you dear to my heart. I just wish that I would have had the the chance to get to know you better. But from what I do know you are missed and I hope to see you again on the other side. Love always your friend. Jazzlynn Martinez*

“Abrons” which is what I always called him, was such a special and good friend of mine. We met at Ft. Riley initially because we had a class together; After that time we became workout partners at the gym and remained good friends even after his retirement.

He was “such a good person”; I can’t ever remember him being in a bad mood or even “fussing” with me when I showed up late for a workout, (which at 5:30a.m. was easy to do). He’d just say, “come on ‘thickum’ let’s go!” I’m certainly going to miss him. His friendship was never about any “pressure”, he was just that kind of person. He accepted you for who you were!

Marquita, he loved you very much and always spoke the world of you! He wanted you to stay in school and become the best that you could be, just as he always tried to do.

Mom Abrons, he loved you and always talked about you too! I can remember shortly after he had just retired he was saying that he was going to be coming back toward Kansas because “his mom wanted to go to a church meeting somewhere close to this area”. He always wanted to please his mom, which let me know from the start of our friendship the kind of warm and loving person he was!

I wish your family “peace”.

“ I regret that I couldn't make it to the funeral but I was there in spirit. I will truly miss chatting with my cousin via e-mail daily. We kept each other laughing. But we were serious at times also.

We were discussing when he was going to take a trip to Houston and visit me.

I'll miss him!

“ an I remember back a Riely as a buck private not know right from wrong and you gave me that game that I needed to keep my head up even in the worst times. 2 years later, we get station again in Germany and you know how I used to do! Man I remeber cutting your hair!! Man God broke the mold when he made you, you was too cool for this earth, man! I wish I could have made it up there, but where you going I just pray I make it up there with you. AB, you watched me grow from a lil 18 year old scrub to the last time we saw each other, I was 26 then. Man I could write for days about all the times but in short, I guess i'll see you when I get there.

“ A very pleasant man who always had time to help me with my studies. I'm gonna miss him and his 'bad' cooking. He bet me \$20 he could cook better than me and the day he chose to do it, was not a good day for him. We laughed and didn't eat his chicken. He will be missed.

love always msangie

“ Phillip and I worked together at ACAP on his resume and transitioning out of the Army. He was a very sweet and wonderful person. He was very happy to be moving closer to his family and he was very proud of his family. I am so sorry he passed away.

“ TO THE Abron FAMILY

LOSS OF A LOVE ONE IS SO HARD TO BEAR
JUST REMEMBER OUR SAVIOR IS WITH YOU AND HE ALWAYS
CARE
ASK HIM FOR STRENGTH AND COURAGE AND HE WILL
PROVIDE
MAKING A WAY OUT OF NO WAY, WORKING MIRACLES AND
SAVING LIVES
WE ARE ONLY HERE ON EARTH FOR A SHORT WHILE
SERVING HIS WILL, FOLLOWING HIS WORD UNTIL WE EXPIRE
GOING TO A BETTER PLACE THAN THIS WORLD OF SIN
HOPING WE ALL GET TO SEE OUR LOVE ONES AGAIN
THE PAIN CEASES AS THE DAYS GO BY
WE KEEP WONDERING AND ASKING OURSELVES?WHY?
GOD KNOWS AND EVERYTHING WILL BE O.K.
BECAUSE JESUS DIED FOR US ALL ?GIVING US OUR STAY
MAKE SURE WE ARE READY WHEN OUR NAME IS CALLED
ON THAT HOLY LIST ? WE KNOW AS ROLL CALL
I PRAY HE BLESSES EACH ONE OF YOU
AS WELL AS MY FAMILY AND ME, TOO.
MAY YOUR WORRIES AND HEARTACHE FADE AWAY
SO YOU ALL CAN CELEBRATE Phillip Andrew Abron's
HOMEGOING
ON THIS SPECIAL DAY.

“ *My deepest condolences go out to your family. Know and trust that in your sadness God has a divine plan in place and perhaps just needed one of his best warriors. Phillip is and will always be a soldier, now in the Lord's army.*

I miss and love you all.

Sincerely,

Kim Watkins
