“ *Phillisa (Niecey) Gray*
I remember when my brothers use to have you to sew different designs on their jeans. You were so unique and gifted with that needle I always wanted to get a pair of jeans designed by you but I was young and my mother would never let me go to school with dice, a beeper and dollar signs sewn all over my clothes. You was very talented and you will be missed forever. 🌹

“ Growing up with a beautiful sister. I wanted nothing more than to be as pretty as you when I grew up. You was like my aunt growing up. I had to do as you say not what I see. My god sisters want to hang out with you but I didn't cause I didn't want you to tell me what to do. I had too much respect for you. Now I know you wanted just to be closer. Love you so much. Thx for helping raising me . So I guess you made this brat.
