“I didn't hear from Prentice again after a long time. We worked together on the SAC Nokia project. I sent you a video on Instagram, but no reply. I didn't see your cookouts as you normally posted on Facebook or Instagram, and I'm like, what has happened to my man? Today, I got inquisitive and went to google your name and saw your obituary. My worst fear has become real. What happened to this jolly fellow? Oh man, this made me sad. Rest up, bro. I already know you're in heaven cause you affect every life you touched. I'll miss you, bro.

Whether I'm in attendance for the homegoing service or not, I pray you knew the gratitude I had for you. Sad and unfortunate that we had to lose a legend for heaven to gain an angel! Your physical presence will be missed the most. Strength and prayers to Shanda, your children and the Spicer family.*

“ *To the Spicer Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and take away our loved one. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
