“ Ill never forget the day we met. You found my hat in a truck you had a paint repair to do on. You brought it to me and sat it down on a paper towel. You being the hat fanatic, couldn't set it down without making sure it didnt get dirty. That was a few years ago. From that day forward, we talked almost daily as we passed each other at work. Ill miss you my friend, you were a hell of a guy. Until we meet again, ill tip my hat to you!
