“ Junior as he was known to me was a good friend. I met him when he was riding around working with his good friend Earnest Johnson! We all became fast friends after being introduced by my sister. Now I cannot even enter my home without thinking of the two of them because they did all the work. They installed my door locks. When I turn the key they come to mind. Now they are together again. May God bless the families of both! In Jesus precious name Amen!

“ *To the Ursey Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
