Keith, my name is Pauletta Wallace and I hope to get your help to find out if this is in fact my sister who has passed away. Our father was James H. Wallace who I finally met when I was 20 years old. I met all my sisters and brothers who were then living, Coqueese had passed. I live in California and Susette was the only one that came to California to visit me once we met in Flint. My email address is pitygirl@aol.com. Please contact me.

“ susette and I shared a sixth grade science class. The science teacher's plan was to show us about reptiles. He lifted a snake from a container. Now because Susette and I said in the front row, somehow we wound up in the back of the class in what seemed like a moments notice. We looked at each other like "he must be crazy". I am so thankful to such a cherished memory of Susette. P.S.: who knew her first name was Priscilla? RIP my life time friend.
