“ During this time I would like to tell the family, when your heart is hurting and you can't make sense of why Uncle Quentin had to leave us, have a talk with God. I know it's hard right now but, God will help ease your hurt. I know Uncle Q wasn't my uncle by blood but, he was an uncle in my heart. May his memories sustain you all during this trying time. Call me if, you need someone to talk to. Much love to the family.

“ Having met several members of the Avery family I met Quentin when my daughter Stacey was introduced to him by her father James who was Quentins brother. He was a warm hearted person who made my child feel a welcome member of the family. I will forever be grateful for that. I pray for blessings for Quentins soul and healing of the hearts of those who loved him.
