“ *It all happen so fast... As a child you were always around ,laughing and making jokes. I can say for show that your presence will be missed. I can remember all the time spent with your uncle Sam. Sitting outside in the yard. Before I knew it you had a family of your own. You were so proud of your children that you decided to change your life even more for the better. Well God saw this and decided that you now were ready for the kingdom of heaven. I don't no why things happen the way they do. But I know that I will see you again. We are grieving but Joy will come.. To Trish and my family God has a plan.. as we stand strong in the memories of Cooter. My prayers are with you. Love you all. Autie*
