You Have My Deepest Sympathy - when I think of Monie, I think of our childhood days back on Tilden and Addison Street. We attended the same schools and graduated together. I was in her presence and spoke with her a month ago. Now she's suddenly gone. I was saddened to hear of her death; yet our memories of her will live on. I pray that God will comfort you (her family) and give you peace within.

“ *What I remember most about my sister was how easy she was to talk to about anything, especially our love of shopping. Monie could always make me laugh. She was a true diva. She loved her children and her family. Sadly, she had to leave us but she will never be forgotten. Heaven gained another angel on January 12th, but she will now be watching over us wherever we go.*

Love,

Your Sister Sandy

“ *Monie, I tried so hard to get in touch with you again after our last class reunion. I had no success in talking with you again. I will miss you and your silly laugh. We were friends from elementary, all through Jr. High and High school. We graduated together from the old Northern in 1971. We even had a crush on the same boy in school. Love you and miss you. Rest in Peace and save me a seat.*

“ *Wherever u are right now I know u seeing this. My eyes are blood shot red filled with tears, my stomach in knots and my heart in pain knowing u are gone. 2 know that we recently had a heart2heart talk about life,women,family, jokin about football etc, now u are not here is a unreal empty feeling. What i would do 2 hear your voice just one more time, 4 u to answer the phone, 2 hug u. The family says u are in a better place (no more suffering), that i will see u again, but it doesnt take away the pain i feel. What keeps me goin, is the support of our love ones and knowing the last time we spoke u told me how much u love me. I MISS u, love u and cant wait till i see u again...Rest in Heaveny mama!!!!!!!!!!!!!!!!!!!!!! Always, Jason or Jake (your nickname 2 me)*
