Randall grew up on St. John Street where everyone knew you by your name and you were treated as family. He attended Flint Northern High School. Randall worked various jobs until he was hired at Buick City, transferring to Saginaw Steering Gear, divisions of General Motors Corporation, retiring after 33 years of service. He accepted Christ as his personal savior when he joined and was baptized at the First New Life Missionary Baptist Church under the leadership of Rev. Randall was an affiliated sponsor of AA for 35 years where he sponsored and supported several individuals in recovery. He loved fishing, shooting pool, meeting his friends at the gym to talk more than working out. He loved taking long walks with his neighbors, Irene, Jessie and Willie, and

sometimes with his wife who occasionally walked too fast for him, shouting “slow down, slow down. Randall also loved working outside in his yard, all the neighbors knew and loved Randall. He loved spending time with the grandkids, family gatherings, birthdays, holidays, and he always looked forward to spending time with them. What a man, what a man, what a mighty good man. “ *Mr.Frazier was my neighbor across the street and he was the first person to welcome me and my wife when we moved into the neighborhood always watching and protecting our block as well as checking on us. I got to know Mr Frazier more from working outside doing yardwork and I had the great pleasure on many occasions of spending some time with him in conversation learning and absorbing his Godly Wisdom that he shared. He was truly a "1 of 1". His physical presence will forever be missed but his spirit will continue to live on.*

Sincerely,

Donnell, Cheryl and the Cornelius Family.

“ We lost a good man. I met Randy as some of us called him many years ago. We were married to two sisters. We were the same age and that alone gave us so much to talk about being from the same generation. He was always so positive and had the best advice for you. My best memories of him are from a family cruise to the Bahamas several years ago. As I think about those days together, it helps to bring back so memories time cannot erase. I send my very sincere and heartfelt condolences to all family members and friends. Lloyd Huskey... Little Rock, Arkansas
