“ *I just spoke to you, we discussed things to do to get better, how the chemo worked and the frequency of doses every 21 days. We go way back to childhood hanging at each others house. We were family because if you came from Alzheimer's Arkansas , grew up on Mary Street or intertwined with the Williams, Conway, Butler, Anderson, Sims, Houston, and Bolds then they were your family. Back in the day when everybody momma was your momma. You had to live on Mary St to understand what family really meant. Rest in Paradise.*
