“ I'm at a lost for words. Randel has been around me since he was old enough to get his hair cut, almost all his life. He was such a sweet quiet person and so easy to get along with. We had a special bond and I was the only one he would let cut his hair until I retired. I couldn't believe it was him and then I saw his birthmark under his eyebrow , I had one tattooed under my eyebrow because I liked it so much. I loved Randel but God loved him more that's why he picked him to be his Angel. My condolences to his mom, dad , sister and family.
