“ There are never enough words to express during these times. One thing for sure when God's chose this soldier to come into Formation. He chose a warrior to defeat & protect Randy will be there even at the break of dawn. Watching over his loved ones friends an associate's . My heart is saddened for the family he loved so much . Alicia please be Strong and hold on to God's unchanging hand. You have memories no one can take or replace and the Love the two of you endured will be with you always. “ *I'm saddened to the core, just to think that he's gone. What I'll miss the most is his gentle demeanor he was a big man in stature and because of that he could convince anyone to listen long enough and calm down. His smile was his trade mark and will always be remembered but his laugh was, and is priceless he will definitely be missed but never forgotten him and two of his sister's came to live with my family and I finally got the little brother I needed growing up with him made me a better person loving and missing you Bro.... I will reach out and connect with your boys... that's a promise...your brother/cousin.....(Tiny) Madison and Gina Wortham*
