“ To the entire family of Rashawn, you all have my deepest sympathy. I know this is a very hard time for you all. Please allow your memories to comfort you in your darkest hours. I have my own memories and when I think about them they bring a smile to my lips. When Rashawn was a little boy, he used to call my house to talk to his Durlfriend, my daughter who was over 10 years older than he was. It was so cute and funny because both of my daughters would talk to him, they never shooed him away, they truly loved him. Booma, I feel for you the most, you have been in my thoughts. I wish I had some words of comfort, but in reality I know there aren't any. I know that I couldn't be comforted in your situation. So I'm going to continue to pray that in time you will be able to accept and carry on. You have your memories that no one can take from you and you have God Almighty to turn to. He is the only one who can heal your soul. Venus, I know you are deeply hurt as well. Like you said you changed his diapers and helped him dress for school and spent a lot of precious time with your nephew. We can offer shoulders and we can give you hugs but we can't mend your heart either. But hopefully our prayers and thoughts will reach God's ears and He will give you all what you need to get through this tragedy. I'll see you all soon. You already know you can call me anytime.
Much Love~Naye

“ *I think this is ashame how young people in Flint, Mich is dieing at a alarming rate and it is nothing being said nor done about it. You all need to go to the Mayor's and make a fuss about this...I have never seen nothing like it Lawernce Moon did not have to open 2 more locations Flint alone is making them Rich...If I was a parent in Flint if I had to move away with nothing I would do so it is Sad, Sad, Sad....And Flint need a wake up call. Wake up Young Black Folk's if you do not stand for something you will always fall for nothing. God be with you all.*

“ *I know how difficult it is to bury a loved one. Time goes by slower than usual, just remember that time does and will go by. Keep the faith and know that he's in a better place. If ever you need a break or to get away, just know that I'm just a call away. I love yall and I will continue to pray for you to have a strength to get through these hard times. May God bless you and your family.*

“ Sooo Sooo sorry Booma. Only words I can think to say is
proverbs 3:5-6 Trust in the Lord with all thine heart; and lean not
unto thine own understanding. In all thy ways acknowledge him, and
he shall direct thy paths. Get out of flint baby, aint nothing going on
there. thats why I left, doing so much better too. God bless and
keep you and your family!!!!

“ I am so sorry for your loss.And so young. In the Bible at John
chapter 5 verses 28 and 29 That all those in the graves will hear his
voice and come out. so the will be a time when all those whos life
have been cut short will live again here on the earth. At Pslam 37
verses 9-11 tell about the unrightous will be cut off but the meek will
inherit the earth. be what will this earth be like?

“ Booma, I know how hard it may be to loose a child. But know you
have done the best you can and know that God has him now and
that he couldn't be in better hands. I will continue to pray for you
and your family. Know that God don't put no more us than we can
handle. Keep your head up and trust in him.
